

Online Vehicle Registration Fee Calculator—VLF and Taxes

New Information

A new feature has been added to the DMV online Vehicle Registration Fee Calculator that will allow customers to determine the actual Vehicle License Fee (VLF) paid for tax purposes.

Procedures

To determine the amount of VLF paid for a specific vehicle within the last two tax years, log on to the department's Internet website at www.dmv.ca.gov and click on the Vehicle Registration Fee Calculator button. Select the VLF for Tax Purposes button and follow the instructions.

Background

In July 2005, the Vehicle Registration Fee Calculator became available on the DMV Internet website. The calculator estimates the registration fees for a new vehicle purchase or a vehicle last registered out of state. This new feature, VLF for Tax Purposes, will enhance this service by providing the ability to determine the actual VLF paid for a specific vehicle within the last two tax years.

E-Mail Alerts

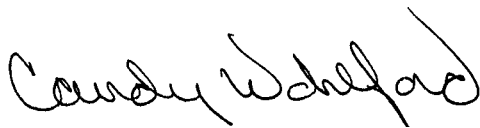

Effective March 31, 2006, DMV will cease providing paper copies of industry news memos and revisions to industry handbooks. **Subscribe to the new E-Mail Alert Service** by logging on to the department's Internet website at www.dmv.ca.gov and navigating to Vehicle Industry & Commercial Permits> (Industry Information) Vehicle/Vessel Registration Procedures. Select the Subscribe to E-Mail Alerts button and follow the simple instructions. The new service, free to DMV's industry partners, banks, and financial institutions, will alert you immediately when new memos or publications are placed on the DMV Internet website.

Distribution

Notification that this memo is available online at www.dmv.ca.gov under Publications was made via e-mail alert in February 2006. The memo was distributed in hardcopy to vehicle registration-related occupational licensees.

Contact

Call the DMV Customer Communications Section at (916) 657-6560 for further clarification of this memo. Upon request, this document can be produced in Braille or large print.

A handwritten signature in black ink, appearing to read "Candy Wohlford". The signature is fluid and cursive, with a large initial 'C' and a stylized 'W'.

CANDY WOHLFORD, Deputy Director
Communication Programs Division
